Active Candidate Committee Representative,

We hope that you had a wonderful 2018! With the New Year and the end of the previous election cycle, the Washtenaw County Clerk/Register - Elections Division is cleaning up our campaign finance database.

According to our records, your campaign finance committee for the office associated with this committee (**School Board - Ann Arbor Schools**) currently holds an 'Active' status, though you are not currently serving in or running for this office at this time. This letter is to inform you that we will take action to dissolve your committee unless you inform us that you would like to keep the committee active.

All active candidate committees for those individuals not currently in office or running for the office indicated on the Statement of Organization that were formed prior to 2010 will be changed to 'Dissolved' status during this update. Dissolving a committee does not mean that you cannot run for office in the future, however it will require a new committee be formed for your new candidacy. If you have other committees for different offices, they will not be affected unless you receive a separate letter regarding that committee.

If our records are inaccurate and you are still in this office OR you plan to run for this office in the future and would like to keep this committee active, please let us know on or before January 25th, 2019. You can email (elections@washtenaw.org), fax (734-222-6528), or mail (200 N. Main Street, Ste. 120, Ann Arbor, MI 48104) your request to keep your committee active. Your request should state your name, address, phone number, office sought and committee name. Please include your signature and date at the end of the request.

No further action is needed if you do not wish to keep this committee active.

If you have any questions or would like additional information, please contact us at 734-222-6730.

Thank you for your assistance.
