Thank you for your
donation Kirk!

Dear Kirk,

We gratefully accept your gift of \$217.13 to the Huron River Watershed Council's (HRWC) annual fund on January 22, 2021 and your commitment to our work.

We all need clean water and a healthy natural environment, and your support of HRWC provides the resources needed to continue providing exactly that. In today's challenging environment, protecting the Huron River for clean water for drinking, for recreation, and for healthy natural habitats against contaminants like PFAS and microplastics is more important than ever.

On behalf of the staff and the board, thank you for your contribution to support many of our river protection and restoration programs.

We will acknowledge you as a contributor, under the name **Anonymous** in our printed materials and on our website. Please let me know if you wish to be listed differently, or if you have any questions. I can be reached by phone at 734-769-5123 extension 610, or by email at aschneider@hrwc.org.

With gratitude,

Allie Schneider
