Subject: Campaign Finance Submission

Good Morning,

Just wanted to follow up with you regarding your submission for dissolution of your committee (Manley for School Board). Since you did not previously have a waiver, you will need to submit your final report showing your final distributions and then check the box on the cover page of the report to request the waiver. Your submission can be sent via email, fax, mail or in-person.

Please let me know if you have any questions.

Thank you.

Trish
